

Family friendly

We believe that family is to be honored and respected. Recognizing that families are not just defined as mom, dad, and the kids, we believe that every family should experience the magic of a special bond and memories when traveling together.

Villas

Most of our villas are designed to suit families with children. If you are travelling with little ones, please note that we will - upon request - install a portable pool fence to secure the pool for a minimal charge. *Bamboo Pool Villas are not suitable for infants and young children.*
